"There's only one thing better than eating pussy. And that's eating two pussies. The sweet taste of lady-juices is such a turn on; it makes me really horny and hot."

larissa

"I've never done two girls before. I'm looking forward to licking Jessie and Jazzy all the way to climax. I hope they'll take it easy with me today."

jasmine

"These two bitches better treat me right. I want my pussy licked and fucked the right way – or else."

There's little we could say after that hot threeplay. Those girls are hot, and they'll tell you so. Call them now before they get bored waiting and go home. You won't regret one minute of it.

800-308-5347 18+

She's a little bit shy and quite quiet. She says she's not very interesting and usually doesn't have anything to say. But we when put Sylvia in front of the camera, it's like the spotlights came on and she was on stage. But she is also so adorable and fun and the kind of girl you would want to marry.

"I like cooking, taking long walks, and playing with my pet Yorkie – Sammy. I'm not a big sports fan but I can fake it pretty well when I'm out at the sports bar with my brother's friends. Guys like a girl who is into sports, and it's a great way to get a guy, too."

sylvia

She has a quiet side and she has a sexy side. Which do you want to see?

"I think kissing is the best way to get sex started. There's nothing sexier or a bigger turn on than a guy who knows how to kiss. If he's a good kisser and patient with me, I just might let him kiss me a little down lower."

Sylvia has had a rough time meeting the right guy. She thinks they are all after her boobs, but there is more to her than the huge lumps on her chest.

"I can get wet just by good kissing. When I'm ready, dripping wet and can't wait for it any longer, I'll grab the guy's cock and stick it into my pussy. He'll know that I want him to fuck me hard and I'll fuck him hard back."

"I like dildos when there is no guy around – and that can be quite often. I have about six different ones and I carry one in my purse for those uncontrollable moments when I'm not at home. This one here is my favorite."

"Even though I'm shy, I lose all my inhibitions on the telephone. Wouldn't you love to talk to a girl like me. I'll even rub and suck my boobs if you ask me to. Over eighteen only.

"Knock! Knock!"
"Who's there?"
"Jamaican."
"Jamaican who?"

"Jamaican me crazy!"

Yeah girl, you sure do. When we got these pics of Aryana, we knew right away she was the cover girl for this magazine. And when we found out she was Jamaican, our P. A. fell instantly in love. We had to buy him a Red Stripe beer to keep him quiet!

To our readers: There were more than twelve caption submissions for this article and we decided not to use any. The editors felt that the photos alone of Aryana were enough to tell her story and get you excited. If you feel there should have been captions, please feel free to write them and submit to us. When we run the next pictorial of her, we'll consider them. Until then, we hope the silence on these pages helped you enjoy this divine creature.

babee

She may look sweet and shy, but Babee loves showing off her body and trying new things. We found her outgoing, personable and approachable. Even though she says she's a daddy's girl, she can hold her own anywhere. Especially in the bedroom – so she says.

"Yes, I'm a daddy's girl. Daddy's been good to me and I've been good to him."

"With the right guy, I'll try anything. Since I'm petite, almost every cock is large to me, but I really do love large ones. They fill me up so much that I can make myself cum just by squeezing my vaginal muscles. I can make the guy cum that way too! It's quite a surprise for them when I do it."

DADDY

"I know what you're thinking as you look at this picture. And yes, I do have a really tight ass. It's never been violated, but that doesn't mean I'm not willing to try it. I just haven't found the right guy to give it up to. Could you be that guy? There's only one way to find out, and that's by calling me and telling me – nicely – why I should give up my booty to you! But please be over eighteen when you call."

Bonjour Claudine

We were lucky to catch up with Claudine for a photo shoot and a few minutes of conversation with this globe-hopping diva. "I love America." she says in that sexy French accent. "Ze American men, zay are so nice and zay always smell so very good."

"I have not yet chance to fuck ze American man, but I hope will be soon. I cannot wait to put my mouth on cock and suck hard. Ze French men love ze blow job and to eat ze pussy. I think we invent it. If not, then we make it perfect. No?"

Well, Claudine, since you put it that way, then – Oui!

margo

Believe it or not, I was rocker chick in the Eighties. I guess you could even call me a groupie. I had a huge crush on Billy Idol. I loved the way he dressed and snarled when he sang. One night I got close to seeing Billy by giving a roadie a back stage hummer, but he still wouldn't let in to see him!

What I learned as a groupie, I've applied to different situations. Like getting ahead in line at a movie theater or busting through a line at a nightclub when all the other chicks are still waiting in line. Men will do anything for a nice smile – and some pussy. Don't get me wrong, I don't get everything I want with my pussy. Just some things, you know.

The biggest thing I ever got using my pussy-power was a car. It was a Beemer convertible. But I especially like the smaller things; like diamond rings or jewel encrusted watches. Would you like to know how I do it? I'm not a gold-digger, just a grateful woman for men's company. Call me and I'll tell you more, but only if you're over eighteen.

Confessions of a Hot Older Woman

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual(and especially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong - I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex" I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.

Call Now. 800-735-4058 ***Must be 18+***

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older women asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!

"AnnaBelle and I have been friends for a long time. We met at a photo shoot about five years ago. I was a last minute replacement for a girl who flaked out. When I met AnnaBelle, I could tell right away she was a sweetheart. It was only her second shoot but she handled it like a pro."

"I just love working with Moné." I remember one of my first shoots was with her and I had never been with a girl before. She was so willing to take her time and make me feel comfortable. Over the years we've been together many times and she always makes me laugh – and cum!"

"This photo shoot was really hot. We had both worked on other sets all day and when we got here and saw each other, we were relieved. We had a great time. It was not like work at all. Just a mellow fuck."

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

THANK YOU, THANK YOU, THANK YOU!

I just moved into a two-flat near the college where I go to school. Upstairs from me are two girls who go to the same college. One is named Deandra. She's 21. Her roommate is probably a year older. I'm a senior and finally got off campus. I hear them fighting all the time. They fight about the big stuff, like college majors, and they fight about the bullshit stuff, like what color Deandra dye her hair this month. I don't think it's ever serious, just friendly competition. I just try to stay out of their way.

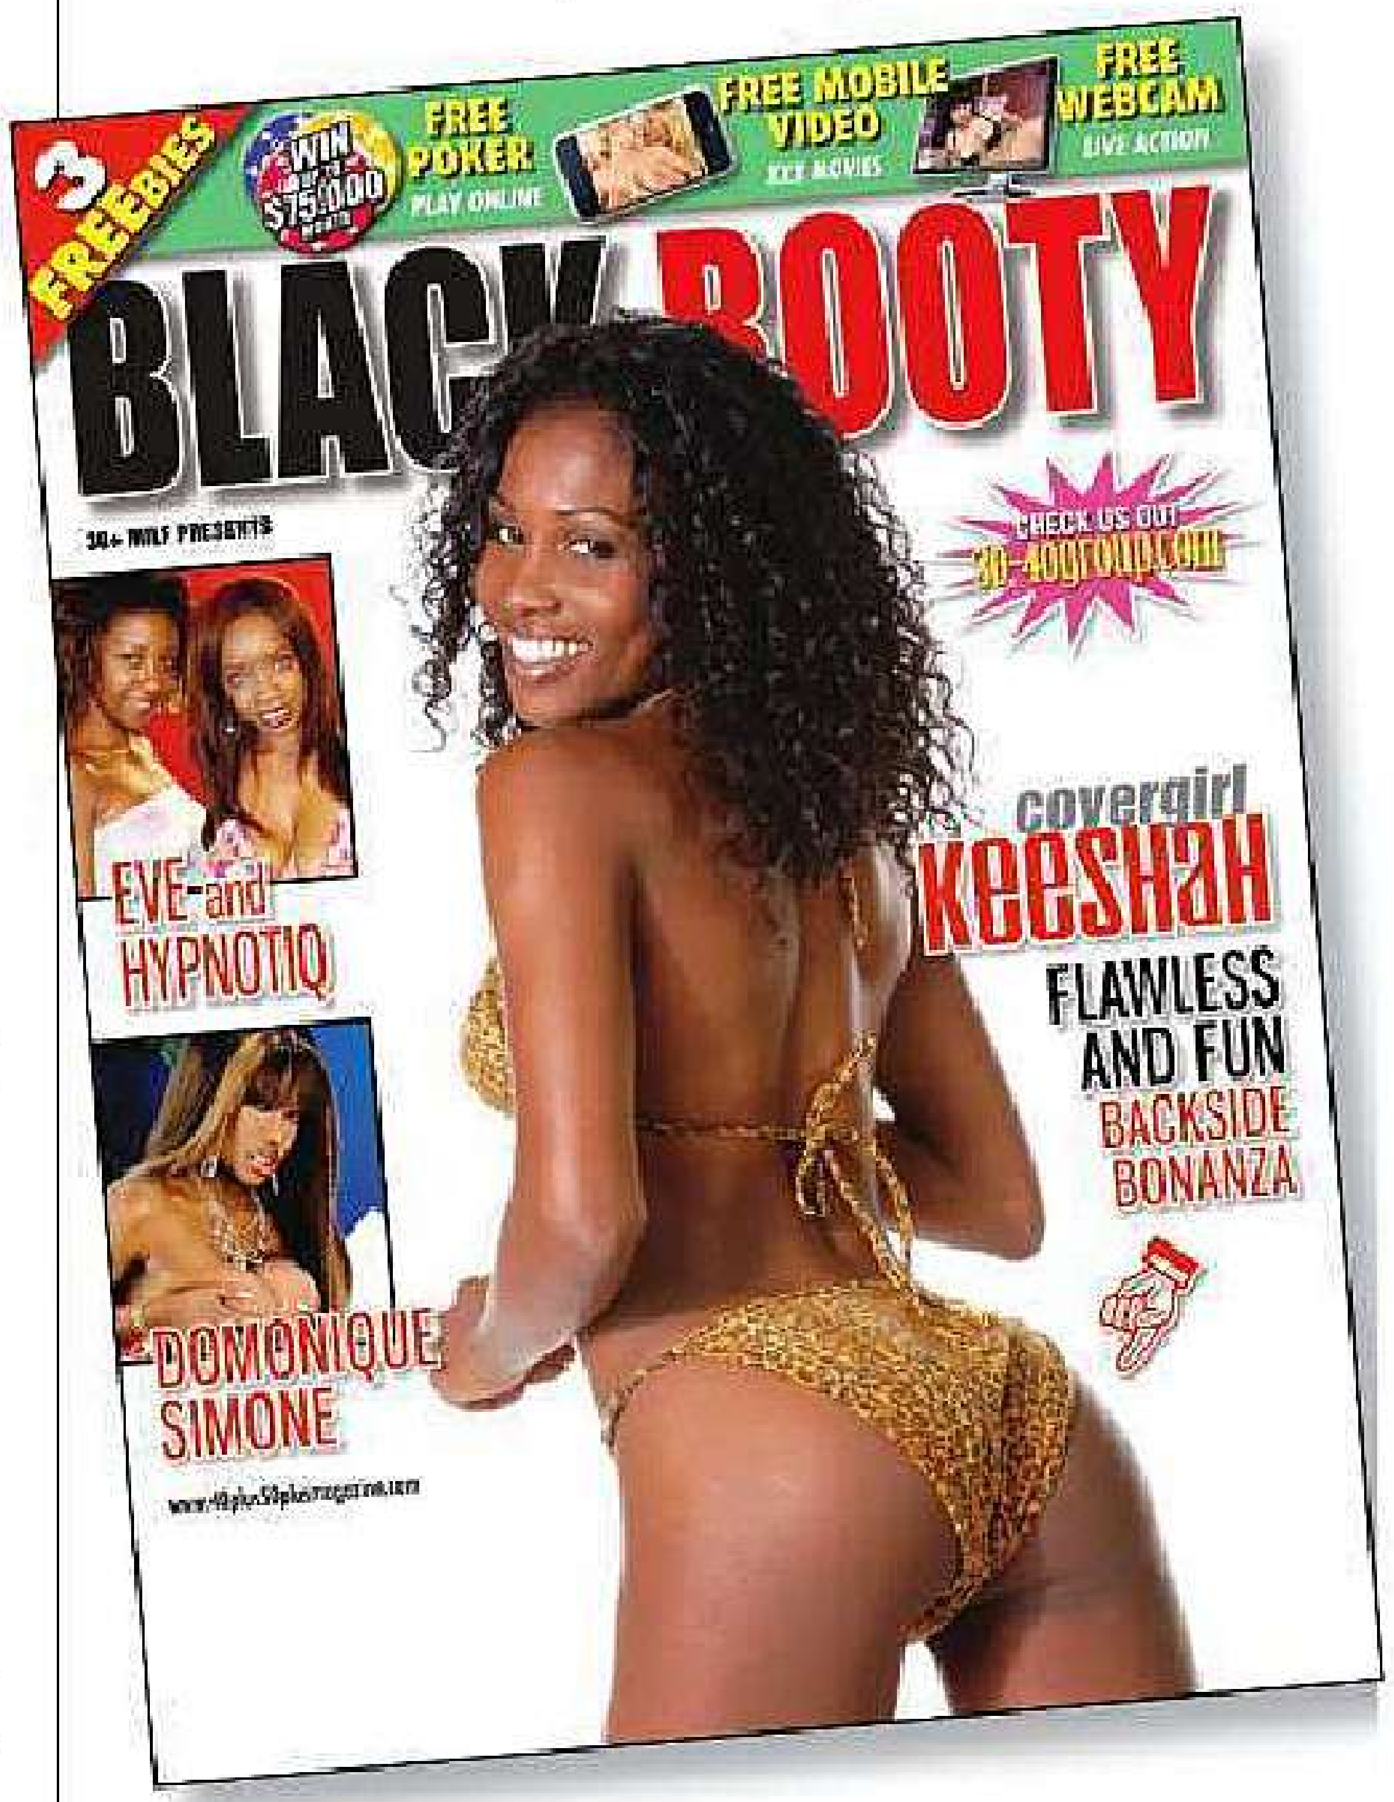
I'm writing because something happened that I want to thank you for. It was a nice afternoon, and I decided to work on my reading assignment in the backyard. But what I really has was your magazine with Keeshah on the cover opened inside the textbook. The combination of beer, sun, and "heavy reading" put me straight to sleep, so I was sipping an iced coffee instead. I was looking at the great girls in the magazine, so I was startled when I realized that Deandra had come outside to join me. I was more startled when I looked up and saw that she was stark naked. "Deandra!" I sputtered. "We are outside."

"There's a fence." she shrugged. Well, they're sort of offense. But it's old and it has some gaps in the wood. If the neighbors were ever home, they probably see her. I saw her do this before but I was always inside the house. She would usually just sunbathe for a few minutes. Once in a while her roommate would come out also but she always wore a swimsuit.

I decided to just shut up and enjoy the scenery as Deandra spread out a beach blanket on the grass. She turned on her stomach for a few minutes giving me a good look at her firm ass. Then she rolled onto her back, her legs and her breasts exposed. I didn't mean to stare, but I couldn't help it.

"What are you looking at?" she asked. "I'm trying to catch up on some reading material for school," I mumbled. "Let me see." she said, and before I could hide anything, she was up and looking over my shoulder at the pictures of Hypnotiq and Eve getting it on.

She suddenly grabs the front of my pants. Fuck! That fast she was squeezing at the bulge I'd sprung in my jeans. "What are you doing?" I sputtered. "What do you think I'm doing?" She unzipped my fly and boldly reached in for my throbbing erection.



Whether seen on campus, the bedroom, or on the subway, the hottest black butts on the planet are there for you. The other parts are pretty hot, too! – Ed.

I couldn't make myself go soft, not for all the boring college textbooks in the world.

"So this is what you call studying," she says as she grabs my mag, too. "These girls are hot. Hey she's shoving a dildo into the other girl's ass." she almost screams. Deandra looks aback at me and asks if I had ever fucked a girl in the ass. I said no, but had always wanted to. Just couldn't find the right girl. She laughs and drops the mag.

"Then you might just be in luck." she says. Her lips formed into an "O" as she came around in front of me and pushed my knees apart. She pulled at my hard cock and immediately shoved it into her mouth and began sucking me.

"Please," I moaned. "Please stop?" She laughed as she hesitated, her mouth less than half an inch away from my tip.

"No, don't stop. It's too late to stop. Oh my God." I moaned. She crammed my cock back into her hot mouth. I don't have the willpower to tell a woman to go to stop when she's giving me head that magical. I decided to just lay back on a lounge chair. The harder she sucked, more of my shaft disappeared down her throat. Before long I was tonsils deep inside her gifted mouth.

"I don't want to come in your mouth," I said. She stopped sucking and looked up at me. Deandra laughed a scornful laugh and got down on all fours on the beach blanket. Her smooth butt cheeks open, and I could see her tiny anus.

"Come on then, is this what you want? We don't have all day unless you want my roommate to catch us." she says as she fingers her asshole. I groaned and slumped down on the ground on top of her. My cock was thoroughly lubricated with her hot sticky saliva, so it slid easily between those smooth cheeks. She began to pump with her ass, at the same time deliberately dilating her butt hole so that it was wide enough to grasp hold of my dick. Was I fucking her ass or was she using her asshole to suck my dick directly into her tightness? It really did seem for a moment as if she was doing all the work, but I didn't mind.

Hot damn, Deandra was tight. I had no idea if it was her first time getting some backdoor action. Considering how rebellious she was, then it probably wasn't. But she sure as hell felt like a cherry. I had to poke slowly, an inch at a time, until I was finally in her to the hilt. Our bodies lurched, and we began to move faster and faster. Suddenly, almost without warning, she began to come with such convulsive violence that she popped me off immediately. Her happy asshole was squeezing cum out of my dick like it was a cheap tube of toothpaste. She came as she fingered her clit furiously. I pulled out and used the end of her towel to clean off. She looked back at me and said, "See, I can take it just like those girls in your magazine."

All I can say after that is "Thank you. Thank you. Thank you!"

– Derec in Hotlanta

MALL BRATS

Last month I found your magazine in my brother's room. I only had a chance to look at a few pages when I heard him coming up the stairs. The next day when he went to work, I found it again and looked at it more thoroughly. I decided to make him crazy and tell you about it, so I wrote down your address and put it back in his hiding place. When he got home from work. I asked if he would go to the mall with me to help pick out a gift for mom's birthday. When the weekend came I called my BFF and told her about my plan, so she joined us.

On Saturday we all go to the mall. It's the three of us, me, my BFF Letitia, and my brother Jerome. Oh, I'm 22 BTW, Letitia is 24 and my bro is 30. I've got a piercing in my eyebrow and another one in my right nipple, which is two piercings to many as far as my brother is concerned.

My mom and Letitia are the same size so I told him she had to try on the clothes. I found some cute jeans and wanted to try them on but Jerome said "No." They were $200 but they were the style. He was mad and waited outside the dressing room with his arms folded while Letitia and I were in the dressing room. Just to blow off steam when she shimmied out of the jeans, I put my right hand on the front of her thong panty. She giggled and then I squatted in front of her to nibble at her sweet pussy.

"He's right out there, you know," she whispered. "Yeah, that's what makes it hot. I want to drive him crazy so you'll have to moan and make sexy noises."

I pulled down her thong; then squeezed my tongue all around inside her slit. It wasn't exactly the first time that the two of us got it on together. She really has a gift for giving head, and I'm happy to give it to her too and show off my skills. Within minutes, she was cumming all over my mouth. She made those sexy little noises and I know Jerome heard her. "Hurry up, you two!" he yells.

Lovely lesbian action gets the guys hot, but it seems to do the same for many of the gals. Honeyz Hypnotiq and Eve have a sexy roll in the hay that's a real crowd pleaser in our last issue.

I didn't have the cash to get the jeans if Jerome didn't pay, and he didn't, so we went to another store and looked at some dresses. He wasn't much more thrilled with them, saying that they were too short for our mother. But at least they were only $50. Again, Letitia and I disappeared into the dressing room, and this time she's the one who dropped to her knees.

She walked her tongue all over my slippery mound of Venus. I had taken a shower right before we left the mall and shaved my box, because it was as smooth and slippery as greased plastic. Her tongue slid all over my brown velveteen flesh. Finally she collided with the deepest, twitchiest part of my slit and began to flutter her tongue in and out of my pussy. I began groaning softly and then I hear Jerome: "Let me see how those dresses look. What are you doing in there? It shouldn't take this long to try on a dress."

I quickly put on one of the club dresses to model for Jerome. He shook his head, but ultimately we bought one for mom. Now we moved onto the lingerie shop. We both said that we needed new quote "miracle" bras, although he was convinced that we were too young and firm to need any, much less a $40 one. Nonetheless, Letitia and I disappeared into a dressing room. I shook my titties into a black lace number and Letitia shook hers into a matching pink lace. We giggled at each others jiggle. It doesn't take a long time to try on bras and my bro knows it. It doesn't take long to finger each other either. I got my ring finger in Letitia's pussy and she got hers in mine, and we worked our digits as fast as we could.

"Hurry, hurry." "Oh, my God. That's it. That's it." Bam! We came on each other's hands. "What's going on in there, you two?" We hear him from outside the curtain. He then flings it open and we're both grinning from ear to ear. "You girls drive me crazy!"

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

NEVER TOO OLD TO LEARN

To the Editor,

I've noticed that many slang words have crept into our use these days and they seem to come from the porn industry. While I have not seen that many I did not know in your magazine, there are words that I was hoping I could get some clarification from you as to what they mean?

My friends have their own interpretations of them, but I don't know if those are universal in their usage or if these guys are just making them up. Either way, I was hoping to get some insight so I don't go around saying something in mixed company and get a foot shoved up my ass. BTW, I have bets with my guys that they are not real words used in sexual situations. Any help would be greatly appreciated.

– Frank, Baltimore

Dear Frank, We put our best minds to your dilemma and here's what we came up with. While we knew of several of them, there were some stumpers on your list. Unfortunately there are some that we just cannot print the answers to. You can make those your homework assignment. – Ed.

rusty trombone – *Getting a rim job while your partner reaches up above the testicles to and gives you a hand job.*
Cincinnati bowtie – *A reverse tit-fuck so your balls and cock are upside-down.*
girlfriend button – *This one had us fooled because, as far as we can tell, it's not sexual slang. We found out it is the "Pause" button on almost any remote or video game joystick that you push when your girlfriend wants to talk.*
alligator fuckhouse – *One person bites the neck of the other, locks down their arms and legs and goes into a deathroll, all while maintaining the insertion.*
grandma style – *Oral sex when she moves her tongue furiously side to side. It's like when grandma is confused and her mouth is open and you can see her tongue making that motion.*
Abe Lincoln – *When you shave pubes, cum on your girfriend's face/chin, and put the hair on her chin like a beard.*
The Houdini – *Has a couple variations... [1] You pull out while doing her doggy-style and spit on her back right before you cum and when she turns around thinking you're done you shoot your load in her face. [2] Fucking a girl doggy-style in front of a window and while in the act you quickly change places with a friend and while he keeps the her busy you go to the other side of the window and wave at her. Obviously, she can't know about the switch.*
Tony Danza – *You are fucking a woman from behind and proceed to yell, "Who's the boss!" Usually she'll respond, "You are, baby!" at which point you yell, "No. Tony Danza's the boss." A few minutes later you ask her again "Who's the boss!" and when she says "Tony Danza" you ask her why she is thinking about other men.*

We hope you're now a little more educated about the correct terminology to use in those situations. Good luck and remember to always play it safe. – Ed.

Dear 30+40 magazine,

I thought it quite appropriate that I write to you because I am 40 and I just introduced my nephew, who's 30, to a situation that he'll never forget. I have changed his name because I know his father gets your magazine and I wouldn't want him to know I corrupted his son.

SAFE SEX THE LIFE YOU SAVE MAY BE YOUR OWN
RAUNCHY RAUCOUS & HUNGRY MILFS

Sandy is one hot thirty-something on the cover of the last issue. But she really begins to sizzle on the inside where she has a tennis tryst with her well-hung instructor.

My brother is almost twenty years older than me and a successful businessman in his own right. He has a great son, let's call him Lawrence, but the kid is a big nerd and has only been laid once in his life. I was talking with one day by the pool and he was lamenting about not being able to get laid so I decided to take it upon myself to get him some pussy. Not just any pussy but a duet of horny girls that will give him an afternoon that he'll never forget.

I have a nice little 50-foot sailboat anchored at the marina so I invited him to come down for a Saturday cruise and he said he would. I had also invited two young ladies who I knew would get him hot (don't ask how I know them!) And maybe he would get lucky. They are very cute and liberal minded so I had great hopes for him.

SANDY GETS SOME HANDS ON INSTRUCTION THAT QUICKLY TURNS TO SEX.

The two girls, Candy and Peaches, arrived just before noon and Lawrence sauntered on deck about a half hour later. The girls were below deck having a drink so Lawrence did not see them when he arrived. I showed him around the sloop and when he went below decks he saw them and I introduced them. He was very flustered and looked at me as if to say WTF. I explained that they worked at my office and I had invited them a while ago, but this was the only day they could come.

We pushed off and I showed Lawrence hot to help us get under sail as we motored out of the marina. Candy came up after a few minutes and said that she would like to get some sun. Peaches said she wanted some too. I pointed to the bow and told them to make themselves comfortable there. The girls took off their summer dresses and had bikinis underneath. They spread out on the cushions and started to apply suntan lotion on each other. Lawrence was in the back with me as I showed him how to steer us out to open water. Apparently his mind was not on my instruction. We both watched as Candy reached back and on fasten her bikini top and removed it. Peaches did the same.

By now Lawrence was having a real problem. He pulled down on the crotch of his shorts and got little relief. Peaches rolled onto her back and her bare breasts were magnificent in the sun. They were tan on the sides but paler where top had been. Her nipples stood out. Then Candy rolled over, and all four boobs pointed skywards. Lawrence was in real pain now as he throttled back the engines and made the boat lurch. The girls jumped up and hurried back to the helm. He was turning to go below in embarrassment when they said "What's wrong?"

"Oh nothing." Lawrence grimaced and said, "You two are too much of a distraction." Putting his hands in his pockets trying to hide his erection. Peaches looked at his crotch and said, "Well here's the problem." She started on button in his cutoffs. When she got the last button she yanked down as hard as she could. His erection sprang out and up. It was about 10 inches long and quite thick. "Wow! Look at what I found. Candy, come look at this." Candy bends over to get a closer look at his hard on. "Wow, I that's a big cock but how does it taste?" The two girls are now kneeling in front of his huge dick and teasing him. "I don't know yet but it sure looks good. Wow! I can barely get the head in my mouth. You have a bigger mouth, you try it." says Candy. I said there was no one steering the boat and I should tend to it. "Why don't you girls take Lawrence down below?" The girls agreed and grabbed his cock to lead him down. I looked down into the salon to find them both removing their bikini bottoms. Peaches said, "Get on the bed?" He flopped on the bed the girls right behind him. Peaches looked at him and started sucking on his cock. Candy was up at the front end pulling his shirt off. All of a sudden I heard him say, "Peaches, let me get inside you before I cum." He slid back and down between Peaches's legs. She grasped him and slid the head of his cock up and down the lips of her wet pussy. Peaches grabbed his hips and pulled him forward, "More, deeper," I heard her say. "What a cock. Candy I can't wait for you to try it." Lawrence began to thrust against her. Peaches was being rocked by orgasm after orgasm. Candy watched and kissed him on the lips. Her hand slipped down and grabbed his balls. He stiffened and jerked and flooded Peaches with shot after shot of cum. He fell over on his side breathing hard, gasping for air. "Hey! You guys, I want some too!" cried Candy feeling left out.

Cock spent, he slipped down between Candy's legs and brushed his tongue over her outer lips. He found her clit and sucked it into his mouth. Then he pressed his face hard into her pussy and rammed his tongue as far in as it would go. Candy let out a howl that shook the boat. I watched as Lawrence crawled up over her and slipped his big cock deep into her. He pumped her hard and I heard him growl that he was about to come. Candy locked her legs around him and screamed as loud as she could. Then there was silence and a few minutes later I saw the two naked girls come up on deck and go back to the bow to resume their sunbathing. I did not see Lawrence the rest of the day until we docked.

marvelous maddie

Pretty and well-endowed, Maddie has become one of our favorite MILFs. Maddie discovered us on a photo shoot with one of her girlfriends.

"I found out that I really like showing off my body to the camera. I especially love lingerie that shows off my boobs. I look for the right piece that makes the girls shine and the right lingerie can make them look just delicious. I know you guys would like a taste."

30-40group.com

Before the shoot Maddie treated us to a lingerie fashion show trying to decide which outfit looked the best. She started with a sexy red number that, of course, showed off her boobs. Then she tried a two piece cami and panty set with crotchless panties. Followed by a blue teddy with a g-string back. She asked all the crew to vote and they loved it. In the end we all picked the black bustier with fishnet stocking. Good choice. No?
